- Craft booths are 10' x 10'. All booths are outdoors and are assigned based on vendor category. All equipment must fit within the designated booth space.

Once your application has been received by the office, you will be sent an

invoice link for online payment to the email you provided. Payment must be made within 10 days of receiving invoice.

- **EVENT CANCELLATION POLICY:** The festival is a community fundraising event run by a nonprofit organization. Booth fees go directly to advertising and operations for the event. The event will only be cancelled if the safety of the vendors and participants is deemed at risk due to inclement weather, acts of God, or any other circumstances deemed necessary by Springtime Tallahassee or government officials/entities. We have decided to secure event cancellation insurance for this year's event should the Jubilee in the Park be cancelled due to inclement weather; specified as total accumulation of .50" or greater rainfall between 9am-4pm and/or lightning at a distance that is deemed unsafe. This would allow us to refund all applicable vendors fees. Please note that refunds will only be disbursed if/when the policy claim has been processed and approved after meeting the requirements of the insurance policy.

## *Arts & Crafts Vendor Rules*

**The Springtime Tallahassee Jubilee is open to Artists and Craftsmen selling their own original/handmade work with no mass-produced items or reselling of purchased items allowed.** Art and Craft vendors will be accepted based on creativity, appropriateness, quality and originality.

Changes cannot be made after March 2, 2026. Quality assurance inspections will take place prior to the opening of the event to ensure all rules and regulations have been met, including, but not limited to, inspections of crafts for "original work." Inspections will also take place during the day.
